Your car should be ready to roll after last month's Tech Session, so pack it up and head on "down the shore!"

Arrive Friday and relax in the motel's garden with DVC friends. Saturday morning, we'll have a DVC car show right in front of the motel. Then—off for a drive through Cape May County, led by Wolfgang and Gudie Fischer. After dinner Saturday night (maybe **Lobster House deck???**), we could check out **Wildwood's Boardwalk**, then head back to the motel garden to end the day.

More details soon to come!

If you wish, you can come earlier in the week or stay longer (rooms are available.) Make your room reservations by April 25th.
