

Have you had a crappy week? How about grabbing a partner (navigator), jump in your little British Sports car and join us for a **FUN** DVCMG Club Event.

2018 DVC MG Car Club **FUNKANA**

We will have 5 events to test the coordinated skills of both driver and navigator.

Where: Spring Mountain Ski Slope (Parking Area)

When: Saturday September 15, 2018

Time: The "Games" will begin at 10:00am, please arrive early

IMPORTANT: At the conclusion of the events we will take a very short drive to Moccias restaurant for a late lunch, but I'll need a head count the week before for them to set enough tables for our group. Please RSVP to my cell phone via text at (267) 251-9941 or to my e-mail at pnayas@comcast.net if you will be joining us with your name and headcount.
