

# The Great Pumpkin Tour

Please join us for a fall foliage tour along some of the most picturesque roads in Bucks County. Stop at local farmers markets along the way in search of that perfect pumpkin to carve. Or choose some seasonal treats to enjoy back at Suffredini's after the tour.

We'll wind our way back to Dick and Sandy's in the late afternoon for typical DVC food and beverages as we spread out and carve the best jack-o-lanterns the DVC has ever seen.

Bring your favorite yummy treats from home or from the farmers markets that day. We're hoping for apple cider and pumpkin pie weather – perfect for MG driving, fall-treat eating, and a great time with DVC friends.

Date: Saturday, October 27, 2018 12 Noon

Start at Dick and Sandy's, 46 Robies Court, Richboro, PA 18954

RSVP to Dick and Sandy, 215-355-3053, to coordinate a covered dish

Remember, all DVC events are now BYOB.
