

Markel Car Museum Tour

Join us for a guided tour of one of the largest private car collections in the area. For those of us that went on one of our previous tours, no worries this tour will be different. Dave Markel named his garages and identifies them by their contents: the British Garage, the German Garage, the Hunting Lodge, High Octane, and so on. Most are within walking distance of the center of Skippack Village. (At most, a short drive.) We'll take a break for lunch, then the tour will conclude after lunch.

Cost is \$?? (tour), Maximum ?? people.
