DOCUMENT DESCRIPTION

Purpose of Document

This document is intended to describe the duties, responsibilities, and expectations of the individuals and committees providing services to the DVC. The positions include officers, board members, and chairmen of club committees.

This document is intended as an extension of any Bylaws and/or guidances that the DVC may create. In cases of discrepancy between this document and the Bylaws/Guidances, the Bylaws/Guidances will prevail. In all cases of discrepancy between this document or the Bylaws/Guidances, and any signed agreement with an individual, the agreement will prevail during the time that it is in force. Federal, state, and local laws will prevail in all cases.

Note: For the sake of comprehension and clarity the use of personal nouns and pronouns in this document apply in both their male and female forms.
