

Markel Car Museum Tour

Join us for a guided tour of one of the largest private car collections in the area. For those of us that went on the previous tour, BC (before Covid), no worries this tour will be different. On that tour we saw seven garages, all named and identified by its contents: the British Garage, the German Garage, the Hunting Lodge, High Octane, and so on. All are within walking distance of the center of Skippack Village. A total of 13 garages! This tour, we will see Dave's Garage in Creamery which houses large American cars, an operating garage (set in the 1920's), and high octane race cars. Plus a few more on the list.

Plan to meet at the parking lot and we'll go from there. We'll take a break for lunch (on your own) then the tour will conclude after lunch.

Cost is \$25 (tour), Maximum 40 people.
