This is our second planning meeting for the new DVCMG Skippack Village Car Festival venue. We had our first meeting and got things in motion. Changes and decisions were made, so now it is time for a follow-up.

With a new venue there is much to do and plan for... especially considering supply and other possible issues. We will check our status and what we still need to do. We will go over what has been ordered, what needs to be ordered, and finalize the check lists.

This will be our last meeting before the Pre-Car Show Prep on September 17.

*Please RSVP (YES/NO/MAYBE) so our hosts can properly plan their events. | Reminder: All DVC Events are BYOB
