

Newsletter Spring 2022

Hi

If you are receiving this email, I guess you have not yet placed me on your “block sender” list. I do not have an editor, so my apologies for any errors, please let me know. I also have no filter, which is the way it goes! I hope you enjoy and look forward to your feedback.

I. Events. This section only mentions shorts facts about the past events. For full details of all the social shenanigans look for the event review on the website.

Ed Flax's TD on display at the Simeone Museum.

A few members attended the Best in Britain show at the Simeone Museum February 12. Lots of green cars, nice to see Ed Flax's early TD. Nice car. There was an interesting lecture about the history of BRG. After the second car was made racing began and countries identified themselves by color. France blue, Germany white, Italy of course red and Britain green. Why green for Britain? Well at the time they could not race in England, so they raced in Ireland, and choose green in respect to Ireland. Now the early green was from the Napier automobile. Some evidence of that green does exist but nothing good, no painted body parts. It was a bright green, yellow green. Then in the 50's the C type and D type jaguars sported a very dark green. Which now seems to be the current BRG.

Pit Crew outstanding in their field. Graham, Dave, Jeff, Warren, Tom, Nancy, and Lyn.

The first car show planning meeting was held February 26. Attending were Lyn, Warren and Nancy, Peter and Nancy, Rob, Dave, Lew, Jeff, Tom, Paul and Evonna, Graham, and me. We first meet at the field and did a chilly walk around. Lyn, field marshal laid out his plans for the field. The entrance/exit, placement of the cars, tents, registration, and area for vendors. Looks good, should have plenty of room. We then gathered at Justin's Carriage House for lunch and carry on with the planning. Various documents were passed about and marked up by attendees for review. Warren went over his procurement of the trophies, mugs, agreed. A costly but necessary item. A new pit Crew shirt was decided upon, and Jeff is on that task. Other items, placards, and such, are being take care of by Paul and Evonna. There are a few items that will addressed to the village, traffic, address of field, vendor coupons. It went very well, and planning is moving along fine, especially with all the help of the Crew.

Images have been disguised to protect the innocent.

Anniversary party March 12. Twas a cold and snowy morn but the brave ventured out to enjoy the Anniversary gathering. Pat & Patti, Dick & Sandy Suffredini, Tom & Jaimee Rippert, Garth & Susan Gill, Graham & Susie Gill, Adam & Eva Ilnicki, Jim & Diane Sanders, Brian Gumpert, Jay & Peggy Kaufman, Warren & Nancy Doerner, Paul & Evonna Phillips. Everything went well, buffet was delicious, and everyone enjoyed themselves. It was good to see everybody after so long. After we finished eating, Dick & Tom presented a few "Owards" (Garth Gill, Jeff Rose & Tom Rippert). More on the Website.

Car Show update. The first planning session went well (see above). The next session to confirm things are moving along will be June 11. Will I see you in September?

II. Upcoming events. Please check the website for more details and sign up/ RSVP.

Tech Session Doerners. April 9. Start your engines! Get to use the Dave Schwab Memorial Lift.

Late April Myrtle Beach Extravaganza Wanklin.

Markel Museum Daniels. May 14. Tour only, lunch will be on your own

Wildwood Weekend Fischers, Ripperts. Late May

Skyline Drive Weekend Cancelled.

Car Show Planning II. June 11

Hank Rippert Rallye June 26. Tony is working hard on setting up the route over the river, on covered bridges and through the woods of bucolic Bucks country.

III. Car Shows. Tis the season. Please support our fellow clubs by attending their events. What goes around comes around. And while you are there you can pitch our show!

Cars and Motorcycles of England. Hope Lodge Fort Washington PA. June 4. 2022

Keystone. Hellertown PA. June 12. 2022

Philadelphia MG. not date and site yet, usually October, Peddlers Village

IV. Member news. Some old news. Back in December. Graham got his MGA started with the help of Dick, Tom, Garth.

Tony Rizzello has developed a wire wheel trueing device.

Discount alert. If you are member of NAMGBR there is a 5% discount if you use Hagerty Insurance. Check out their website.

Other member news, nothing to report. Stay in touch, Diane sends out cards to cheer up our members.

III. Board news, nothing to report

Hope you are all doing well and hope to see you at one of our upcoming events. Our members work hard to continue our social connections, your participation is appreciated.

Stay well, April showers bring May flowers, if they do not wash away. Take care.

Chuck
